Dear Mr. Flood,

1. I request the following under the Freedom of Information Act (FOIA), 5 U.S.C Section 552:

(a) A copy of PNS Management Investigation report AI #17-06. This investigation began in approximately February 2017 and ended in May 2017 with the issuance of the above report and was in reference to harassment at the San Diego Detachment of Portsmouth Naval Shipyard (PNS-DET).

(b) For the above documents, names or other personal identifiers are not requested and alpha-numeric identifiers may be substituted, but names are requested if publically releasable.

2. Please waive any fees for searching for or copying this material. This information is in the public interest and likely to contribute to the public understanding of the operations or activities of the government, and is not principally in the interest of the requester. As a union, the organization I belong to intends to share this information with our membership, who may then make this information public to elected officials or the media. In addition, the Union may publish such information directly to elected officials and the media as it pertains to equal employment opportunity programs at public shipyards, including incidents of harassment and/or bullying, and the Union regularly issues press releases and discusses newsworthy topics with the media as an employee rights advocacy group. This request greatly concerns the public as it directly addresses/relates to anti-bullying and EEO practices of Federal Government agencies, including the application of EEOC laws and regulations.

However, I am willing to pay up to \$10 for the purpose of searching for, reviewing, or copying documents in connection with this request if the information is extensive (N.B., if the information is electronically available, please provide it to this email address).

3. Provisions of the information fall under the category of "other" requester as listed in SECNAVINST 5720.42F FOIA Program. As a union, my organization is a non-profit group, and will not benefit commercially from the use of this information.

4. Please cite any of the nine (9) exemptions to justify any refusal to provide me with this information and inform me of the appeal procedures if you refuse my request. I look forward to receipt of your response within twenty (20) workdays.

Thank you.

Sincerely,

Lynda Cecchetti
